LUNCH: Will be available at the Sale Barn.

1. The auctioneer will settle any disputes as to bids.
2. TERMS: Cash, unless arranged before the sale between seller and buyer, and clerk so notified. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.
3. ALL cattle sold will have health certificates to enable them to be shipped into other states, see Sec. F & H of Standard Guarantee which is printed on opposite page.
4. ALL ANIMALS SOLD WILL BE BACKED BY THE STANDARD GUARANTEE ENDORSED BY THE AMERICAN SHORTHORN ASSOCIATION.
5. THE sale Committee and Clerks act only as agents for the consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above Standard Guarantee.
6. CATTLE will be buyer's risk as soon as bid off. Arrangements for leaving purchased animals overnight can be made. BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE CLERK AT TIME OF SETTLEMENT.
7. WE follow the practice of giving the consignor the opportunity to state a "reserve bid" to the auctioneer PRIOR TO THE SALE, or have the auctioneer announce "No Sale" on any animal. In case of a "No Sale", the seller pays the regular pro rata sale expense.
8. THE sale committee, auctioneer and ringmen have specific duties not connected with the handling of the cattle or the condition of the premises and they will not accept liability, legal or otherwise, for the buying contract or for any accident. All persons attend this sale at their own risk, but we will make every effort to provide for the safety and comfort of our guests.
9. WHERE footnotes appear in this catalog they were furnished by the consignor or written from information supplied by the consignor.

# STANDARD GUARANTEE

ENDORSED BY THE AMERICAN SHORTHORN ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such certificate is required by the seller.
6. All animals are sold to comply with the laws regulating tuberculosis and Bang's disease of the state or country into which they may be shipped.
7. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
